2019 DUES FORM. The dues form is on the reverse side of this newsletter. Your membership allows the Harper Lake Association to communicate with the members, conduct periodic water quality testing, stock fish each year, replace signage and buoys as necessary, and pays for insurance, postage and printing as needed. Thank you for joining our association.

SPECIAL ASSESSMENT DISTRICT UPDATE. Thank you to all who signed the petition asking Elk Township to create a special assessment district for invasive weed control in Harper Lake. We collected the signatures of 80 of the 135 lakefront property owners and submitted them to the Elk Township Board in early December. We expect that more cost information and a schedule for hearings will be developed soon. When we receive information from Elk Township, we will do our best to forward it on to the HLA property owners by email and on the HLA website: www.harperlakeassociation.org.

HARPER LAKE DAY RETURNS IN 2019. The 4th annual Harper Lake Day will take place on Saturday, July 6, 2019. The theme for 2019 is "SPORTS" so start your planning now! We need dock captains to greet boats and stamp cards and we need volunteers to help collect and organize the prizes and drawings. Watch the website and the Facebook page for more information beginning in May. We'll have fliers and info at the membership meeting on May 25 at Skinner Park as well. If you'd like to help with the event, send an email to dmm1224@hotmail.com.
