## Finances for 2015

Lisa Mullen reported we had 111 paid members this last year..best ever. We also saved about \$5000 this last year on weed control but anticipate a higher than normal expense this next summer. All in all, we are under budget for this year and doing well. Our ongoing success will continue to be determined by the wonderful support of all our members. We will have a complete report at our May Membership Meeting.
